

# CERTIFICATE OF CONFORMITY

CERTCONF2011

This document certifies that the following product and specific batch has been manufactured to and complies with the company's standard Specification.

It further certifies that the batch has been tested by a diagnostic laboratory and complies with the minimum specification for this product.

PRODUCT CODE	RRSP94		
DESCRIPTION	Methylene Blue 1% Aqueous		
BATCH NO	Allocated at time of production		
Manufacture Date	3 Year Shelf Life	Expiry Date	3 Year Shelf Life
SPECIFICATION	An 1% aqueous working solution of Methylene Blue Stain which is considered to be a simple stain, in contrast with the Gram and Acid-Fast Stains, which require a counterstaining step. Methylene Blue Stain is especially useful for observing metachromasia in bacterial species such as Corynebacteria.		
TESTING PROTOCOL <small>(WHERE APPLICABLE)</small>	Tested to our standard protocol.		

We confirm that this batch has been tested in our Laboratory and has been found to stain to our minimum standards and that sample will be retained for the life of the product

Peter Keenan  
Commercial Director
