

CERTIFICATE OF CONFORMITY

CERTCONF2011

This document certifies that the following product and specific batch has been manufactured to and complies with the company's standard Specification.

It further certifies that the batch has been tested by a diagnostic laboratory and complies with the minimum specification for this product.

PRODUCT CODE	RRSP146		
DESCRIPTION	Toluidine Blue (1% Aqueous)		
BATCH NO	Allocated at time of production		
Manufacture Date	3 Year Shelf Life	Expiry Date	3 Year Shelf Life
SPECIFICATION	A 1% aqueous working solution of Toluidine blue O which is a metachromatic dye, and is frequently employed in that capacity. It is a blue nuclear counterstain, and can be used to demonstrate Nissl substance. It is useful for staining mast cell granules, both in metachromatic and orthochromatic techniques.		
TESTING PROTOCOL <small>(WHERE APPLICABLE)</small>	Supplied against supplier's certificate of analysis/conformity		

We confirm that this batch has been tested in our Laboratory and has been found to stain to our minimum standards and that sample will be retained for the life of the product
